room

**Margaret Island** was opened to the public in 1896 but until 1900, when the connecting link with Margaret bridge was built, the only access was by boat. Baths were built on the island around the end of the 19th century to exploit the natural waters. Since then, its been one of the most popular recreational areas in Budapest. Since no cars are allowed on the island, it is a great place for long walks. A public bus line connects the island with the Pest side of the capital and during the summer months ferry boats run frequently from Pest to the island. Cars may drive to the parking lot and the garage of the Thermal Hotel and Grand Hotel at the northern tip of the island. Close to the hotels, there is the open-air theater of the State Opera House with performances during the summer months.

**Ensana Thermal Margaret Island Hotel** was completed in 1979 as the world's first ever metropolitan health resort hotel. The hotel has 285 air-conditioned guestrooms and 8 suites. All rooms have a balcony, minibar & satellite TV. The hotel's Platán restaurant offers international, Hungarian and dietetic menus. The Spa Therapy Section has the most comprehensive installation of thermal bath and physiotherapy equipment, including thermal pools, sauna, underwater jet massage, carbon gas bath, inhalation, electrotherapy, therapeutic gymnastics, massage, mudpack and solarium. Dental plan is available.
