As one of the largest museums in the world, it has over 35,000 objects on display from prehistory to the 19th century, spread across more than 650,000 square feet of gallery space. From a medieval fortress, Renaissance palace and luxurious home to Kings and Emperors, the Louvre has been a symbol of the wealth, power and decadence of the French monarchy for over 600 years. Your expert guide will lead you through the galleries of this extraordinary French institution and explain the changing face of the Louvre through its architecture and design.

Day 3.

Your licensed Driver-Guide will pick you up at your accommodation. He will escort you to Versailles. It is your tour, totally custom-made to fit your desire. Walk in the unique and unrivalled Hall of Mirrors (357 mirrors in all); followed by the Royal Chapel, as well as the King and Queen's Royal Apartments. You will be stunned by the Gardens (Europe's largest royal gardens) and the beauty of the Fountains (Apollo, Latona, Neptune,...) all created by France's world famous landscape gardener, André Le Nôtre. Once you have finished this unforgettable trip into an integral part of France's history, your licensed Driver-Guide will then drive you back safely to accommodation in Paris.

The next stop will be Honfleur, a charming Norman port painted by Monet with its picturesque alleys, half-timbered houses, old basin and artists' galleries. Lunch by the sea. Continue to Étretat, an old fishing village and now a seaside resort and one of the jewels of the Normandy coast. The complex consists of 3 cliffs: Upstream, Manneporte and Downstream, the most famous with its immense flint archway which rises to 71 m high.

You will stroll through the maze of streets in the village and, accompanied by your guide, you will visit the Benedictine Abbey founded at the beginning of the 8th century - one of the most important places of pilgrimage in the Middle Ages - and a true jewel of Romanesque, Gothic and flamboyant arts: the cloister, the refectory and its authentic garden overlooking the sea.
